

TRY TO IMAGINE A ROLE AND RESPONSIBILITY WORKSHOP TRANSFORMED INTO AN EXCITING
FBI ACADEMY TRAINING FORMAT:
THIS IS **QUANTICO**.

A PREMIER LEARNING EXPERIENCE ON MINDFULNESS
THAT MINTS NEW LEADERS AND INTELLIGENCE PROFESSIONALS.

THE TRAINING INCLUDES OVER 15 HOURS, IN THREE MAJOR CONCENTRATIONS:
BEHAVIORAL SCIENCE, TECHNOLOGY AND FORENSICS.

AN HONEST SELF ASSESSMENT OF CURRENT ROLE AND COMPANY'S
EXPECTATIONS GETS RE-EXAMINED AND ENDORSED DURING
THE WORKSHOP.

ALL INSTRUCTION AND PRACTICAL EXERCISES ARE FOCUSED ON
COMMITMENT, ACCOUNTABILITY, EXECUTION, COOPERATION,
DIGITAL SAVVY, SELF BRANDING AND THE DEVELOPMENT
AND DISSEMINATION OF LEADERSHIP.

WE HAVE FOCUSED ON STRENGTHENING
THE ABILITY TO COLLECT, SHARE, ANALYZE,
AND ACT ON INTELLIGENCE
TO BETTER DISCOVER, UNDERSTAND, AND DISABLE
A RANGE OF OCCUPATIONAL THREATS
THAT JEOPARDIZE TEAM ACHIEVEMENT
AND INDIVIDUAL PERFORMANCE.

IT'S A TOUGH REGIMEN.
WE USE ACTIVITIES TO TEST
TRAINEES' METTLE
IN REAL-LIFE SITUATIONS AND MIRROR
WHAT THEY EXPERIENCE AT WORK,
OFFERING
A COHERENT VISUAL COUNTERPOINT
TO THE CONTENT RATHER THAN A
STRAIGHTFORWARD
REPRESENTATION
OF URGENCY
AND FOCUS.

**DIVISIVE. DEMANDING.
SATISFYINGLY CLIMACTIC.**
